OUR SERVICE

Our clients rely on our support for their operations in one of the most hostile environments on the planet. This continuous level of support is provided 365 days a year, 24 hours a day, and we deliver this service in three key areas:

OFFSHORE SUPPORT OPERATIONS

Reliable and professional marine support is critical in any offshore operation, a fact recognised by all at North Star Shipping. With a reliance on our vessels to provide Offshore Support, Platform Supply, Emergency Towage or Tanker Assistance we know that your success depends on our service being delivered safely.

ROV SURVEY AND LIGHT CONSTRUCTION

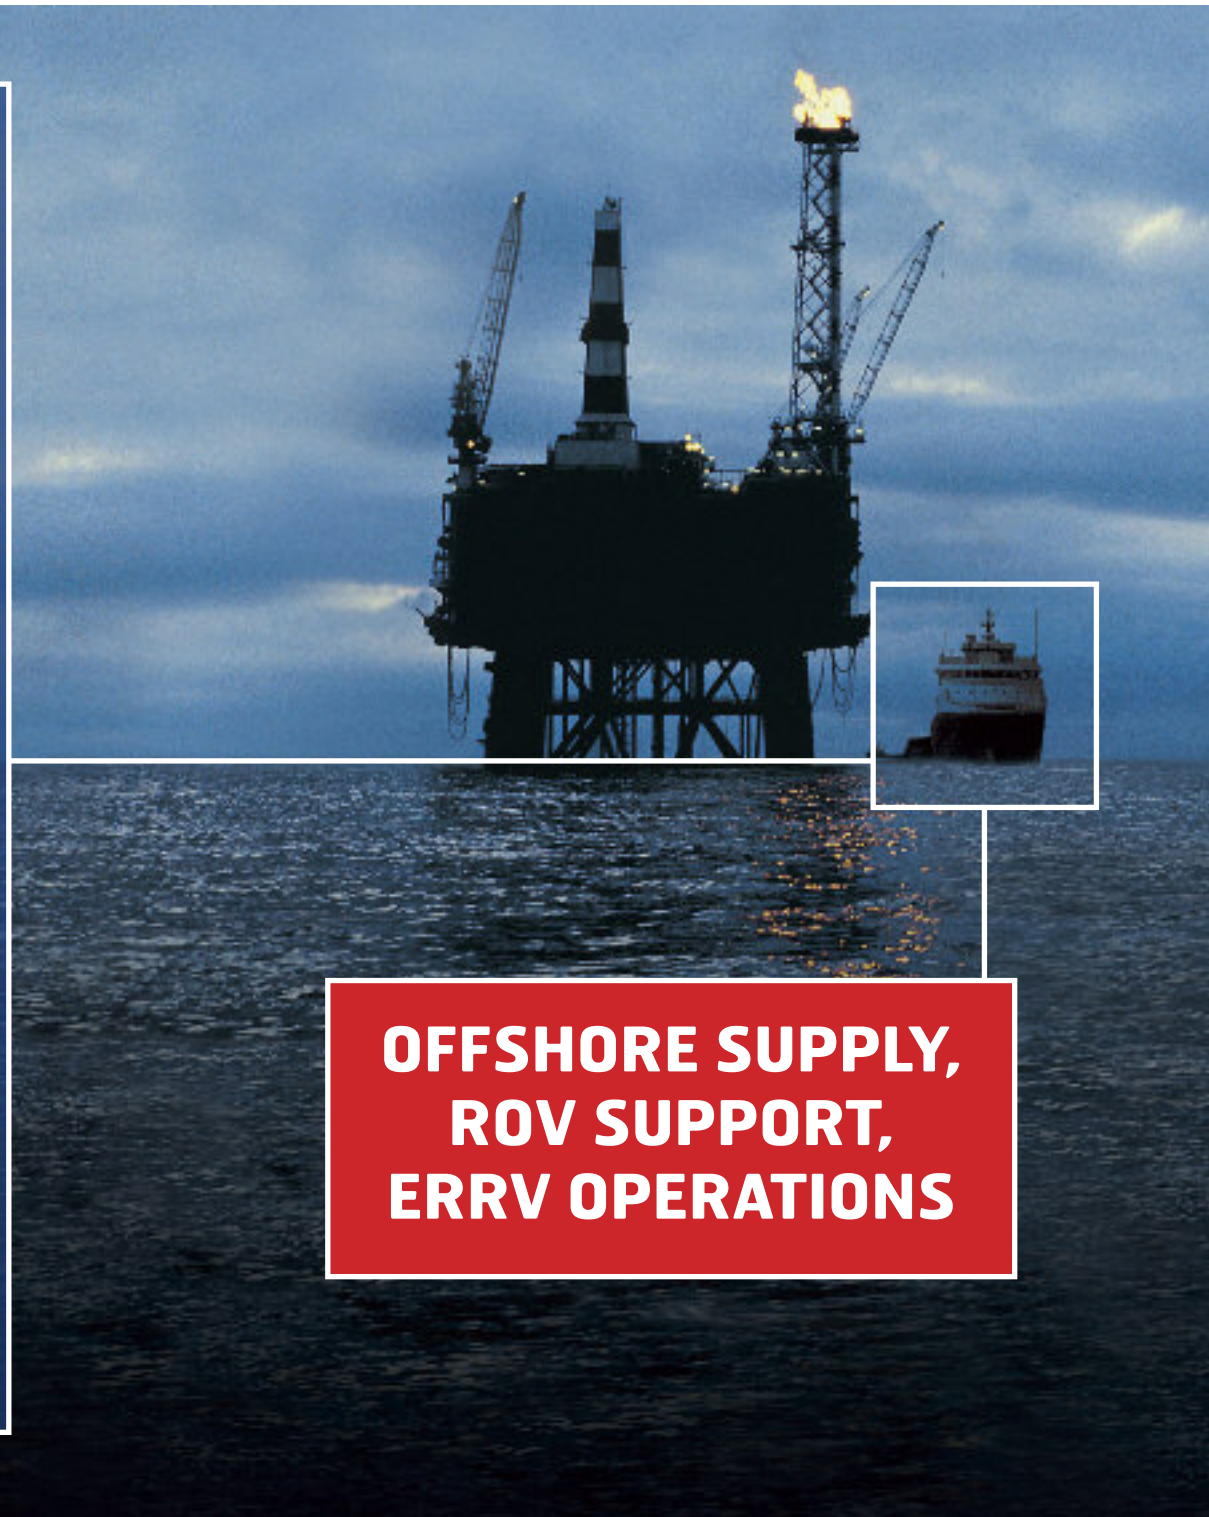

We have been providing marine support to the ROV and Survey markets since 2002 and have, during this time, been acknowledged as providing the highest level of service and support to our clients in the ROV and construction industry worldwide.

EMERGENCY RESPONSE AND RESCUE

North Star Shipping have, since 1974, provided Emergency Response and Rescue Services to the offshore industry in the North West European Area (NWEA). We utilise a diverse fleet outfitted with Daughter Craft and Fast Rescue Craft which are all fully supported by our dedicated Service Centre in Aberdeen.

OUR INVESTMENT

In order for us to deliver the quality of service expected from our clients, we continue to invest heavily across three key areas:

OUR VESSELS

We are committed to the renewal, diversification, and growth of our fleet to provide the highest level of service to our clients.

OUR PEOPLE

We encourage all staff and seagoing personnel to progress through continuous professional development in all areas of our business.

OUR OPERATIONS

We operate in compliance with ISO 9001:2008, ISO 14001: 2004, and ISM. We are also registered with FPAL, FPAL Verify and are members of ERRVA.

At North Star Shipping, we have in place an investment strategy that is focused on our fleet renewal programme to support the continued growth and diversification of our services and international operations.
